Re: *Sanders v. Houslanger and Associates, PLLC, et al.*,
17 Civ. 8985 (DC)

Dear Judge Chin:

We write on behalf of the Plaintiff class to request that our motion seeking final approval of our class action settlement be extended from January 30, 2020 to February 11, 2020 and move subsequent response and reply deadlines accordingly. We do not seek any extension of the scheduled February 26, 2020 fairness hearing. We have conferred with Defendants and they **do not object** to this request.

This extension would permit counsel time to confer with the claims administrator about the claims received by the January 14, 2020 deadline and analyze those claims to prepare a fulsome submission to the Court. The Court originally set the January 30, 2020 deadline to be two weeks before the then-scheduled February 13, 2020 fairness hearing. *See* Dkt. 84. The Court then moved the fairness hearing until February 26, 2020, without moving any of the prior deadlines. *See* Dkt. 85. Accordingly, the schedule Plaintiffs propose provides the Court with the same amount of time to consider the submissions before the Fairness Hearing as the Court originally envisioned. Moreover, the claims administrator has not received any objection requests nor has there been any notice of appearance by any attorney who sought to object; the deadlines for both have passed. Accordingly, we do not anticipate that anyone will file any objections or responses to our motion for final approval. In an abundance of caution however, consistent with the Court's prior scheduling order, we would ask that the deadline for any responses to our motions be filed and served no later than Tuesday February 18, 2020 and reply papers in support of approval be filed by Monday, February 24, 2020.
